Award Description	Under this award, Delaware WIC seeks to enhance the automation capabilities and reduce the risk of ongoing operation interruption by upgrading the WIC system to a Web based technology. This project provides funding for the program to customize the Maryland WIC on the WEB System (WOW) to meet the specific Delaware WIC program requirements and state technology standards. The proposed system will be hosted by Maryland WIC. This was determined following the completion of the cost benefit analysis (CBA) completed by Brandywine Technologies on March 1, 2010. As of April 5, the program is waiting on final approval by the Department of a contract amendment for Brandywine Technologies to revise the draft Implementation
